

Issues in qualitative data archiving and sharing: Tales from ESDS Qualidata and Timescapes

Libby Bishop

University of Leeds/UK Data Archive

11 am (new time)

Conference Room,
3rd Floor John Hume
Building, NUI Maynooth.

4th March 2008

The Irish Qualitative Data Archive (IQDA) will be a central access point for qualitative social science data. It is part of the Irish Social Science Platform (ISSP) and is based at the National Institute of Regional and Spatial Analysis (NIRSA).
